ST. PAUL GOLF LEAGUE 2023

AT BOCA LAGO GOLF & COUNTRY CLUB, BOCA RATON, FL

Once a teammate has put a ball in the hole, then that is your team's score for the hole even if the other teammate has not taken their stroke yet.

Substitutions

1. Subs will need to have a current handicap or play in 2 out of 3 qualifying rounds to determine their handicap for league play.
2. If you know in advance that you will miss a league match, then you must contact a sub from the substitutes list to take your place.
3. Once a sub player is established, then you will need to notify the league manager and let them know prior to the start of the match. *(This is important to record the adjusted handicap for that match.)*
4. If both players are absent due to travel, illness, etc., then your team may use 2 subs *(allowed twice per season)* to play in your place. *(Team must notify league manager prior to the match.)*
5. If only one player is present and no sub is used, then that teammate will play alone and his/her individual score will count as your team score.
6. A "sub matrix" will be formulated to account for the sub player, the absent player, and the team handicap.
7. A "no show" will grant their opponent an automatic 7 points assuming the opponent has a player & plays 9 holes for that match. *(score won't be used in handicap)*

Rainy Day Procedures

If it is raining, then you still must assume we play unless we notify the league of a rainout or by calling the **Boca Lago Pro Shop** at **(561) 487-9273**.

In the event of a rainout, then the league schedule will be adjusted to add that match back on at a later date.
