

2024 ROUGH RIDERS GOLF CLUB RULES AND INFO

Play

USGA rules will govern all play except for:

- You can move your ball 12 inches, no closer to the hole, but not with your hand. "Lift, clean and drop" is in play. There will be no placing of the ball on a spot after cleaning.
- You can not use rolling your ball to change the cut of grass or get out of a bunker/waste area.
- If in a bunker and in a footprint or non-maintained area, you can lift, rake and drop.
- Double par max. Once you hit six on a par 3, eight on a par 4, or ten on a par 5, pick up.
- Gimmes are inside the grip of your putter measured with the head of the putter at the cup. Birdie or better putts are not eligible for gimmes.
- Any allegations of cheating will be handled by the Rough Riders Board.

Scoring/Prizes

- Individual and team events will be awarded points for our season long points chase by net score. Your handicap is determined by your last 10 scores, taking the top 3 differentials and averaging them. You are eligible for points after 3 scores are entered. We will be using GolfLeagueSite.com to run our league and every member will be getting an email with login info to be able to track the league at all times.
- Weekly league fees are \$20. \$11 of your league fees go to format payout (net score, skins, etc). Prize payouts can be changed based on the determination of our game day treasurer, Dave Demarest. Money will be paid to him. If you are entering our optional birdie pool (\$10), you need to give Dave your name before the round.
- \$6 of your league fees go to pins. Pins are worth the total pot divided by the amount of par 3's. \$2 of your league fees go to the 50/50 and \$1 of your league fees go to the hole-in-one pot.
- If you can not make a date, let Robert Miller (609)-457-2364 know ASAP so an alternate can be placed. Make sure to have notifications on for your WhatsApp or text messages from him. Letting anyone else know or posting on FB or WhatsApp is not an acceptable method of calling out of an event. We try to fill all spots so our pots can be as large as possible.
- If there is rain, and it is within an hour of Egg Harbor Township, we show up at the course ready to play. The only exception is if the course is already closed due to weather or said it is walking only and that will be communicated. Rain-outs will be handled by playing the following Sunday, at the same course, if possible.

Finale/Club Championship/Match Play

- Our Finale is scheduled for October 20th at Scotland Run tentatively, with dinner to follow.
- Club Championship will take place at the Finale, October 20th. Top 4 players in our points chase will play for a pot of money and championship belt. Pot will be determined at a quarterly meeting before the date. In the CC, the ball will be played down throughout the round and there will be no gimmes.
- Our match play event will be September 8th at Vineyard National. The event will be in flights based on handicaps with four men per flight. The front nine will be the semifinals of the flight and the back nine will have the winners of the front nine matches face each other to find a winner of the flight. Winner will take their flights pot of points money.
