

A Golf League of Our Own Rules & Procedures 2024 AGLOOO

Weekly Format

1. **We will alternate from the front nine to the back nine each week.**
2. **Front Nine Scramble- Each team plays for a single score.**
 - All team members tee off
 - Pick the best drive, move other balls to that spot and hit from there.
 - Continue the same way until the hole is complete.
 - Record the team score.

Every golfer's drive must be used an equal number of times (in foursomes and twosomes, one person will have an extra drive). If you have a threesome, you get three drives. If you have a twosome, you get two shots. It is to your advantage to play with a foursome so you have four shots to pick from.

3. **Back Nine- Individual Net Stroke Play**

Rules & Procedures

1. **Weekly Tee Time Sign Ups**

Tee times will open at 12:00 pm each Wednesday for the following week of golf. One person from each foursome will be able to sign up the entire group or golfers can sign up individually.
2. **Substitutions** are allowed.

Let's try our best to fill our foursomes. Guest golfers will not qualify for our weekly event challenges. Only put scores in the GLS for official AGLOOO golfers.
3. **Double par plus one stroke** is the maximum for each hole.
 - Please pick up your ball when this criteria is met. We need to keep our foursomes moving.
 - **Par 3- Maximum strokes 6 + 1= 7**
 - **Par 4- Maximum strokes 8 + 1=9**
 - **Par 5- Maximum strokes 10 + 1=11**
4. **Prize money**

Weekly prize winners will be posted in the GLS app and emailed in weekly announcements. Please look for your prize money envelope in our AGLOOO file box.
5. **Keep it moving** on the course. Please always be aware of foursomes behind you. If your group is golfing slower, please allow the foursome behind you to move ahead of your foursome.
6. **Lost balls:** You have no more than 2 minutes to find a lost ball otherwise take a penalty stroke and drop a new ball.
7. **LIVE Scoring on our GLS App**
 - **Click on this link** https://golfleaguesite.com/live_scores/about using your smartphone to select the iOS or Android app to download.
 - **Now Watch the Demo** and you are ready for our New Live Scoring feature.

- **Just a suggestion-** Designate one player in your group to submit everyone's scores so not everyone has to.

8. **Scorecards**

- Put your weekly score in the Golf League Site and turn in your paper scorecard at the end of each round. The AGLOOO manilla envelope will be in the club house. **Make sure your scorecard is completely filled out with scores and names.**
- If you're unable to put scores in the GLS app, one of the AGLOOO managers will input your scores in the GLS app. But we do encourage you to try.

9. **Mulligan Raffle**

- Each week there will be a Mulligan Raffle.
- Cost- \$2.00 per ticket. Two tickets will be drawn at the end of each golf event.
- The following week, the mulligan prize money will be in the AGLOOO file box in the club house.
- You can buy as many mulligan tickets as you want to increase the probability of winning, but you may only use one mulligan during your round of golf.
