

Welcome to the 2026 PCL Tampa Bay Golf League scoring breakdown and rules page.

Scoring system breakdown

2-player team 9-hole format that uses an 8-point scoring system, which is a combination of 3 points best ball match play and 4 points cumulative stroke play and 1 final point to the team with the lowest individual 9-hole score.

For each 3-hole set (1-6, 7-12, 13-18) there are 2 points: 1 point for the team that wins the most holes and 1 point for the team with the lower cumulative team score total. Ties in each set split the points. The final 2 points are earned on the total 9-hole scores: 1 point for the team with the lower cumulative team score total and 1 point for the team with the player who has the lowest individual 9-hole score in the match.

If either team has only one player, then that team forfeits all cumulative team points and can only win the 1 point per set for 'most holes won', and the lowest 9-hole individual match score (4 total points). Teams are fixed throughout the season.
