

Salem Heating and Cooling Scramble League 2022 Golf League Rules

1.) Entry Fee

The entry fee is \$75 per player (\$150/Team), and this entry fee will go towards website fee, weekly team prizes, payouts for Top 3 teams at the end of year, and Field Day prizes.

2.) Forfeits/Byes

A team will have one (1) week to make up a round if there is a no-show, or if it has been alerted that they will not make it that week. If there is no round made up, the team that was supposed to play that team, will instead play a random scorecard from that weeks round.

Makeup rounds will need to be alerted to either Andrew Robbins or Jordan Mcguire before that week's round. If possible the makeup round needs to be played with at least one other person from the league as a witness.

3.) Subs/No Shows

. A scoring method for when a substitute is required will be listed as well. You are permitted to bring a substitute that does not have a handicap verified.

A player may play by himself, however he will be using the team handicap and is only allowed one ball per shot.

4.) Handicaps

Handicaps will be determined once a team has completed a minimum of 2 rounds. These will be adjusted weekly, and we will be using the teams previous 4 rounds throughout the year.

5.) Tee Times

Shotgun Start @ 5:30 every Thursday starting May 5th. We will alternate between playing the front and the back. Your opponents have until the 3rd hole to show up before it will be counted

as a no-show. They will start from the 3rd hole, and will play the first two (2) holes after the completion of the round.

6.) Points

20 Points per match is possible.

2 Points for winning a hole outright (Handicap based) 1 Point for a tied hole

2 Points for overall net score (1 Point for a tie)

Confirm with your opponent all scores for every hole match both scorecards.

THERE WILL BE A MAX HANDICAP DIFFERENCE OF 7 SHOTS THIS YEAR.

7.) Scramble Rules

Each player hits a tee shot. The best is selected and each player hits a shot from that point. This format is repeated until the ball is holed. Through the green the ball may be moved up to 1 club length no nearer the hole. On the putting surface the ball may be moved up to 4 inches. At no time may the ball be moved from rough to fairway or onto the fringe, from fringe to green, or out of a hazard.

8.) Course Conditions

If the course is closed due to inclement weather, an email will be sent out for the closure. If the weather causes a delay or closure mid-round that week's round will only count if all groups have completed at least five (5) holes. In that situation, only the first five holes will be used for scoring purposes. If there has not been enough holes played, that week will be voided. These rainouts will be made up at the end of the year.

9.) Out of Bounds

If both players end up out of bounds, drop your next shot where it was believed to have gone out at. The other team must agree to the spot where it will be dropped.

10.) Weekly Side Games

Each week there will be optional side games. This will consist of a Skins Game, Proximities, and a Super Skin. This will be \$5 a team for each. If there are no Skins that week, all cash will rollover until there is a winner.

11.) End of Year Tournament/Field Day

End of July or early August (Date TBD), there will be a Cash Prize Tournament/Field Day. This will involve at least a \$1000 Cash Prize for the tournament and various other cash prizes and games for this round, donated by Salem Heating and Cooling. Tee Times will be determined closer to that day. If anyone would like to sponsor a Hole prize, or knows someone who might be interested, please reach out.

13.) Field Day Prizes

All Prizes for Field day will be in cash, except what is donated from sponsors or the course.

14.) Giving Putts

It will be up to your opponents on giving putts. The other team must alert you that a putt is good before it is picked up.

15.) Maximum Score per Hole

Double Bogey Max score. Once that is reached, pick up and move on.
